

# SAFE SYSTEM ASSESSMENTS TRAINING

**STARTS 27 APRIL 2022**

This course provides participants with the **key skills and tools** to undertake a Safe System Assessment in accordance with the **Austrroads Safe System Assessment Framework**. It also covers the content of the **Victorian and South Australian Guidelines**, the **Queensland TMR Road Safety Policy** and the established process in **New Zealand and New South Wales**.

## THIS INTERACTIVE PROGRAM GIVES YOU:

- Learning from **home or office**, maintain your physical distance from others & learn how to complete a Safe System Assessment
- Complete the **field exercise near your home** - tell us where you live or want to be and we tailor a site location near you
- **Support** while you complete your assessment
- Phone, video meeting & email support throughout the program
- Supportive peer learning group via chat functionality
- **Engaging** content including live modules, quizzes, games and prizes to keep you motivated
- **Education pack** delivered to your door, includes design plans, exercises and a report template
