Expert Witness

Road Safety | Advertising Signage | Crash Investigation | Incident Investigation

NORTON ROSE FULBRIGHT

Department of Transport and Main Roads

Safe System Solutions Pty Ltd has been engaged on a number of occasions to undertake investigations and to provide an expert witness for a variety of legal cases. These included: fatal and serious injury crashes on the public road network; in private developments/properties; during events (racing); planning permit disputes; road upgrade works disputes; and shared path incidents.

Safe System Solutions Pty Ltd's skills and technical expertise in crash investigation, incident analysis and understanding of the legal requirements around public infrastructure from a road safety perspective ensures that our expert reports are credible, reliable and trusted by the courts.

Project: Expert Witness – a variety of legal clients and government departments
