Literature Review – Reverse-In Angle Parking

Safe System Solutions Pty Ltd was engaged to perform a literature review of reverse-in angle parking the findings of which will be used to guide the DoT and Victorian LGAs in understanding:

- ✓ The benefits of reverse-in parking from a pedestrian, cyclist, motorcyclist, and passenger vehicle perspective.
- ✓ The disbenefits of reverse-in parking from a pedestrian, cyclist, motorcyclist, and passenger vehicle perspective.
- ✓ Items to consider when trialling or installing reverse-in angle parking.

Project: Literature Review – Reverse-In Angle Parking
