Preparation of the Austroads Guide to Road Safety Series (2021 Edition)

Safe System Solutions Pty Ltd was engaged by Austroads to prepare the 2021 edition of the Guide to Road Safety series. This included reviewing existing content and updating to latest best practice based on published research and guidance.

The series is the peak guidance documents for Australia and New Zealand with respect to road safety, and further establishes Safe System Solutions Pty Ltd as Australia's leading road safety engineering consultancy.
