## Small Scale Infrastructure Grants – Assessments and Program Management

Safe System Solutions Pty Ltd has a long-standing engagement with the TAC to manage the TAC Small Scale Infrastructure Grants Program. This program is specifically focused on the safety of pedestrians and cyclists.

Safe System Solutions Pty Ltd reviews all applications and provides recommendations on funding to the program steering-committee. The review involves assessing the road safety benefit of any proposed treatments, the engineering rigour, the impact on other road users and the treatment costs.

**Project:** Small Scale Infrastructure Grants – Assessment Report

**Client:** Transport Accident Commission

**Year:** 2014 – 2021

**Key Staff:** Kenn Beer | Catherine Deady | Jamie Robertson
