Mildura Rural City Council

Speed Management Strategy

Safe System Solutions Pty Ltd assisted Mildura Rural City Council to develop their road safety strategy. As part of the development of the strategy, Safe System Solutions Pty Ltd undertook a speed review process that:

- ✓ Reviewed current urban and rural speed limits in the Mildura region;
- ✓ Examined crash statistics to determine the risk profile of Council roads;
- ✓ Conducted stakeholder consultation;
- ✓ Conducted public community consultation;
- ✓ Prepared a conceptual framework report to summarise the speed management strategy; then
- ✓ Documented the findings and incorporated them into the strategy.

Project: Speed Management Strategy

Client: Mildura Rural City Council

Year: 2017
