

SAFE SYSTEM ASSESSMENT LIVE ONLINE TRAINING

This course provides participants with the **key skills and tools** to undertake a Safe System Assessment in accordance with the **Austrroads Safe System Assessment Framework**. It also covers the content of the **Victorian** and **South Australian** Guidelines, the **Queensland TMR Road Safety Policy** and the established process in **New Zealand** and **New South Wales**.

THIS INTERACTIVE PROGRAM GIVES YOU:

- Learning from your home or office how to undertake a Safe System Assessment
- Complete the **field exercise near your home or office** - tell us where you live or want to be and we'll tailor a location near you
- Phone & email support throughout the program
- Supportive peer learning group via chat functionality
- **Engaging** content including live modules, quizzes, games and prizes to keep you motivated
- **Welcome pack** delivered to your door.

SUCCESSFUL COMPLETION

In order to successfully complete this program and gain your certificate to become a Safe System Assessor you must:

- Attend a minimum of 4 out of 5 live webinars (all webinars are recorded and available to review), and view any not attended
- Satisfactory completion of all set tasks - including quizzes, exercises/assignments, site visit and Safe System Assessment report.
- Achieve an average 80% pass mark on all quizzes (up to three attempts with one-on-one coaching available if required)

TRAINER

Kenn Beer

(BEng (Hons), MPIA, RPEng, RPEQ, RPEV)

Kenn is the Principal Engineer of Safe System Solutions Pty Ltd, a specialist road safety engineering consultancy working across Australia and New Zealand. Before founding Safe System Solutions Pty Ltd in 2013, Kenn worked for VicRoads in a variety of roles including Manager Planning, Manager Program Development and Team Leader Road Safety Engineering. During his career Kenn has undertaken over 400 Road Safety Audits on some of Australia's most high profile and complex infrastructure projects.

Kenn has been the lead trainer for official Road Safety Auditor courses in Victoria, South Australia, Queensland, New Zealand, Northern Territory and Tasmania. Austroads appointed Kenn as the specialist technical advisor for SAG2060 and SAG6221 – updating the Guide to Road Safety Part 6: Road Safety Audit.

He is one of Australia's most active Safe System practitioners having undertaken over 150 major Safe System Assessments and being involved in numerous Austroads Safe System projects including SAG2090 Best Practice in Road Safety Infrastructure Program Development, SS2035 Safe System Infrastructure on Mixed Use Arterials and SSP6038 Key Interventions to Reduce Road Trauma.
